An Act relating to technology; establishing the Criminal Justice Information Systems Center for Excellence; stating purpose; stating administrative control; authorizing collaboration with agencies; allowing utilization of system for certain purposes; providing for codification; and providing an effective date.

SUBJECT: Criminal Justice Information Systems Center for Excellence

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 35.6.1 of Title 62, unless there is created a duplication in numbering, reads as follows:

A. In order to comply with Executive Orders and federal and state statutory and regulatory requirements related to the criminal justice information system, to support agencies within the Oklahoma Safety and Security Cabinet, and to accomplish the purposes of the Information Services Division of the Office of Management and Enterprise Services, there is hereby established the "Criminal Justice Information Systems Center for Excellence" to provide shared infrastructure services for such agencies. The Criminal Justice Information Systems Center for Excellence shall be under the administrative control of the Chief Information Officer.

B. In establishing and operating the Criminal Justice Information Systems Center for Excellence through the Information

Services Division, the Chief Information Officer shall collaborate with agencies subject to criminal justice information system requirements. The Chief Information Officer, in conjunction with the Commissioner of Public Safety, shall establish an appropriate governance model for priorities, shared services and systems for the Criminal Justice Information Systems Center for Excellence. The Chief Information Officer may utilize the Criminal Justice Information Systems Center for Excellence to accomplish such other purposes as may be necessary for the administration of the duties of the Information Services Division that are related to stringent federal or state data security requirements, provided the security of investigative and law enforcement information and support systems is not jeopardized.

SECTION 2. This act shall become effective November 1, 2015.
