An Act relating to public health and safety; allowing first responders to administer certain medicine without prescription; providing applicability of certain act; allowing providers to prescribe certain medicine to family members of individuals who exhibit signs of certain overdose; requiring provider to provide certain information; providing applicability of certain act; providing for codification; and providing an effective date.

SUBJECT: Administration of medicine

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-2506.1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. First responders shall have the authority to administer, without prescription, opiate antagonists when encountering an individual exhibiting signs of an opiate overdose. For the purposes of this provision, a first responder shall include:

1. Law enforcement officials;
2. Emergency medical technicians;
3. Firefighters; and

4. Medical personnel at secondary schools and institutions of higher education.

B. Any first responder administering an opiate antagonist in a manner consistent with addressing opiate overdose shall be covered under the Good Samaritan Act.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-2506.2 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Upon request, a provider may prescribe an opiate antagonist to an individual for use by that individual when encountering a family member exhibiting signs of an opiate overdose.

B. When an opiate antagonist is prescribed in accordance with subsection A of this section, the provider shall provide:

1. Information on how to spot symptoms of an overdose;
2. Instruction in basic resuscitation techniques;
3. Instruction on proper naloxone administration; and
4. The importance of calling 911 for help.

C. Any family member administering an opiate antagonist in a manner consistent with addressing opiate overdose shall be covered under the Good Samaritan Act.

SECTION 3. This act shall become effective November 1, 2013.
