SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-2-101, is amended to read as follows:

Section 1-2-101. A. 1. The Department of Human Services shall establish a statewide centralized hotline for the reporting of child abuse or neglect to the Department.

2. The Department shall provide hotline-specific training including, but not limited to, interviewing skills, customer service skills, narrative writing, necessary computer systems, making case determinations, and identifying priority situations.

3. The Department is authorized to contract with third parties in order to train hotline workers.

4. The Department shall develop a system to track the number of calls received, and of that number:

- a. the number of calls screened out,
- b. the number of referrals assigned, and
- c. the number of calls in which the allegations were later found to be unsubstantiated or ruled out.

5. The Department shall electronically record each referral received by the hotline and establish a secure means of retaining the recordings for ninety (90) days. The recordings shall be confidential and subject to disclosure only in those cases in which criminal charges related to the referral have been filed and pursuant to the requirements of subsection E of Section 1-6-102 of this title. If the court orders the disclosure of the referral, the Department shall redact any information identifying the reporting party unless otherwise ordered by the court.

B. 1. Every person having reason to believe that a child under the age of eighteen (18) years is a victim of abuse or neglect shall report the matter promptly to the Department of Human Services. Reports shall be made to the hotline provided for in subsection A of this section. Any allegation of abuse or neglect reported in any manner to a county office shall immediately be referred to the hotline by the Department. Provided, however, that in actions for custody by abandonment, provided for in Section 7 2-117 of ~~this act~~ Title 30 of the Oklahoma Statutes, there shall be no reporting requirement.

2. Every physician, surgeon, or other health care professional including doctors of medicine, licensed osteopathic physicians, residents and interns, or any other health care professional

attending the birth of a child who tests positive for alcohol or a controlled dangerous substance shall promptly report the matter to the Department.

3. No privilege or contract shall relieve any person from the requirement of reporting pursuant to this section.

4. The reporting obligations under this section are individual, and no employer, supervisor, or administrator shall interfere with the reporting obligations of any employee or other person or in any manner discriminate or retaliate against the employee or other person who in good faith reports suspected child abuse or neglect, or who provides testimony in any proceeding involving child abuse or neglect. Any employer, supervisor, or administrator who discharges, discriminates or retaliates against the employee or other person shall be liable for damages, costs and attorney fees.

5. Every physician, surgeon, or other health care professional making a report of abuse or neglect as required by this subsection or examining a child to determine the likelihood of abuse or neglect and every hospital or related institution in which the child was examined or treated shall provide, upon request, copies of the results of the examination or copies of the examination on which the report was based and any other clinical notes, x-rays, photographs, and other previous or current records relevant to the case to law enforcement officers conducting a criminal investigation into the case and to employees of the Department of Human Services conducting an investigation of alleged abuse or neglect in the case.

C. Any person who knowingly and willfully fails to promptly report suspected child abuse or neglect or who interferes with the prompt reporting of suspected child abuse or neglect may be reported to local law enforcement for criminal investigation and, upon conviction thereof, shall be guilty of a misdemeanor. Any person with prolonged knowledge of ongoing child abuse or neglect who knowingly and willfully fails to promptly report such knowledge may be reported to local law enforcement for criminal investigation and, upon conviction thereof, shall be guilty of a felony. For the purposes of this paragraph, "prolonged knowledge" shall mean knowledge of at least six (6) months of child abuse or neglect.

D. 1. Any person who knowingly and willfully makes a false report pursuant to the provisions of this section or a report that the person knows lacks factual foundation may be reported to local law enforcement for criminal investigation and, upon conviction thereof, shall be guilty of a misdemeanor.

2. If a court determines that an accusation of child abuse or neglect made during a child custody proceeding is false and the person making the accusation knew it to be false at the time the accusation was made, the court may impose a fine, not to exceed Five Thousand Dollars (\$5,000.00) and reasonable attorney fees incurred in recovering the sanctions, against the person making the accusation. The remedy provided by this paragraph is in addition to paragraph 1 of this subsection or to any other remedy provided by law.

E. Nothing contained in this section shall be construed to exempt or prohibit any person from reporting any suspected child abuse or neglect pursuant to subsection B of this section.

SECTION 2. AMENDATORY 10A O.S. 2011, Section 1-6-102, as amended by Section 1, Chapter 343, O.S.L. 2012 (10A O.S. Supp. 2012, Section 1-6-102), is amended to read as follows:

6. Upon receipt of a court order to produce its safety analysis records, the Department shall be given a minimum of five (5) judicial days to deliver the records to the court.

7. The safety analysis records provided by the Department to the court pursuant to this subsection shall not be subject to judicial review and shall be released by the court only to the litigants in the case under a protective order.

8. A court order entered pursuant to this subsection which purports to require the Department to produce all agency records

shall be deemed to require only the production of the safety analysis records of the Department.

9. An employee of the Department shall not be compelled to testify about the safety analysis records except upon a court order directing such testimony. Any subpoena or subpoena duces tecum purporting to compel disclosure of safety analysis records or testimony concerning such records without a court order shall be invalid.

10. Except as provided by this subsection or other law, confidential records may be inspected, released, disclosed, corrected, or expunged only by the procedure set forth in subsection E of this section.

E. When confidential records may be relevant in a criminal, civil, or administrative proceeding, an order of the court authorizing the inspection, release, disclosure, correction, or expungement of confidential records shall be entered by the court only after a judicial review of the records and a determination of necessity pursuant to the following procedure:

A petition or motion that does not contain the required specificity or detail may be subject to dismissal by the court;

2. Upon the filing of the petition or motion, the court shall set a date for a hearing and shall require notice of not less than twenty (20) days to the agency or person holding the records and the person who is the subject of the record if such person is eighteen (18) years of age or older or to the parents of a child less than eighteen (18) years of age who is the subject of the record, to the attorneys, if any, of such person, child or parents and any other interested party as ordered by the court. The court may also enter an ex parte order compelling the person or agency holding the records to either produce the records to the court on or before the date set for hearing or file an objection or appear for the hearing.

The court may shorten the time allowed for notice due to exigent circumstances;

3. At the hearing, should the court find that a compelling reason does not exist for the confidential records to be judicially reviewed, the matter shall be dismissed; otherwise, the court shall order that the records be produced for a judicial review. The hearing may be closed at the discretion of the court; and

4. The judicial review of the records shall include a determination, with due regard for the confidentiality of the records and the privacy of persons identified in the records, as to whether an order should be entered authorizing the inspection, release, disclosure, correction, or expungement of the records based upon the need for the protection of a legitimate public or private interest.

F. The court may, for good cause shown, prohibit the release of such confidential records or testimony or authorize a release of the confidential information or testimony upon such conditions as the court deems necessary and appropriate, subject to the provisions of this section.

G. Any public or private agency, entity, or professional person required to produce confidential records pursuant to this section may require payment of fees from the party seeking the records prior to any records being produced, including a research fee not exceeding Twenty Dollars (\$20.00) per hour and a copy fee not to exceed fifty cents (\$.50) per page and Five Dollars (\$5.00) per copy of each video tape or disk; provided, the court may waive such costs in a criminal action based upon indigence of a defendant. The Department shall not be permitted to assess fees for records produced pursuant to subsection D of this section.

H. Nothing in Section 620.6 of Title 10 of the Oklahoma Statutes and this chapter shall be construed as:
