Dear Secretary Benge:

In accordance with the provisions of 34 O.S.2011, § 9(D), we have reviewed the proposed Ballot Title for the above-referenced State Question and conclude that it does not comply with applicable laws for the following reason:

The ballot title resembles a bill title rather than a ballot title. It lists the subjects included within the proposition in broad, general terms but makes no attempt to explain the effect of the proposition.

Having found that the Ballot Title does not comply with applicable laws, we will, in accordance with the provisions of 34 O.S.2011, § 9(D), within ten (10) business days, prepare a Ballot Title which complies with the law.

Re: Ballot Title for State Question No. 773, Initiative Petition No. 399

Dear Secretary Benge:

Having found that the proposed Ballot Title for the above-referenced State Question did not comply with applicable laws we, in accordance with the provisions of 34 O.S.2011, § 9(D), have prepared the following Ballot Title. As a Title 34 Ballot Title review, the following does not constitute an Attorney General Opinion on the merits or the constitutionality of the proposed changes in the law, nor the ability of federal law to preempt the changes in the law. The Ballot Title reads as follows:

BALLOT TITLE

Currently, marijuana is an illegal drug. This measure expands the Oklahoma Constitution, legalizing the use, possession and consumption of marijuana. Consumption may include concentrates, edibles and other forms, including smoking. The measure also authorizes licensing of acts such as cultivating, retailing and packaging marijuana. Acts legalized by this measure may nonetheless violate federal law.

Persons 21 and over may purchase one ounce of marijuana and may possess up to six marijuana plants. A tax of \$7.00/ounce is imposed on certain sales.

The measure repeals most current state marijuana laws. It applies retroactively to all marijuana cases pending in any Oklahoma court. Driving under the influence of, or impaired by, marijuana remains illegal.

The measure also legalizes medical marijuana. No prescription is required for use. A lifetime license allowing limited possession is authorized if:

- the applicant is an Oklahoma resident 18 or over
- an Oklahoma board-certified physician signs the application, certifying the applicant has a qualifying medical condition.

The measure lists qualifying medical conditions that authorize a lifetime license, regardless of the continuing existence of the conditions.

The measure also authorizes medical marijuana licenses such as caregiver, dispensary and grower licenses. A 7% tax is imposed on medical marijuana sales.
