TITLE 435. STATE BOARD OF MEDICAL LICENSURE AND SUPERVISION CHAPTER 10. PHYSICIANS AND SURGEONS

[OAR Docket #13-441]

RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

Subchapter 1. General Provisions

435:10-1-4. Definitions [AMENDED]

Subchapter 4. Application and Examination Procedures for
Licensure as Physician and Surgeon

435:10-4-6. Medical licensure examination [AMENDED]

SUMMARY:

The proposed amendments to OAC 435:10-1-4. Definitions would clarify that a face-to-face meeting between the physician and patient is not required under certain circumstances. Circumstances would include physicians covering another physician's practice when issuing a refill if they have access to the complete medical record, hospice medical directors ordering medication as requested by licensed hospice employees with verification as being appropriate by the hospice record, providers treating a laboratory-verified, sexually-transmitted disease or persons who have been in contact with an infectious bacterial disease, and physicians practicing via telemedicine under certain criteria.

The proposed amendment to OAC 435:10-4-6. Medical licensure examination would update the passing score language to reflect current reporting standards by the United States Medical Licensing Examination (USMLE) program.

Effective April 1, 2013, scores will no longer be reported to the Board from the USMLE in a 2-digit score scale format. Only the 3-digit score scale will be used and reported.
